

## **Ethnic Minorities Officer**

---

The Ethnic Minorities Officer is a member of the Liberation Body, representing a specific electorate. As with other Liberation roles, whether students vote in elections for this role is a matter for their self-identification. This document aims to help students to decide whether they identify as part of this electorate, and therefore whether they deem themselves eligible to stand or vote for this role.

Students who might self-identify as part of the electorate for the Ethnic Minorities Officer include those who identify as being a member of an ethnic minority or as having a mixed ethnic background. Such ethnic minority identities could include, but are not limited to: Black, Asian, Indigenous, Arab, a Person of Colour, Jewish, Hispanic, Latino or a White ethnic minority identity (e.g. 'White Other', Roma, Gypsy and Irish Traveller).

This document is not exhaustive, and students are encouraged to self-identify at their own discretion.
